# Download Connections to Excel

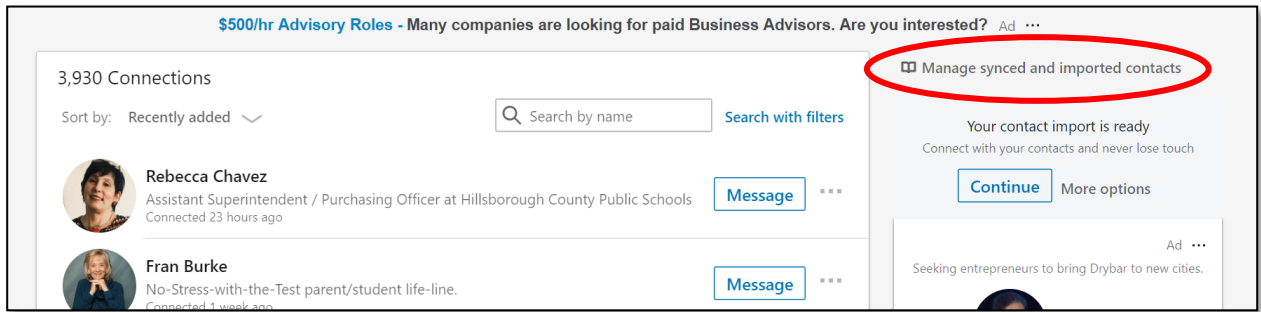

- Start from Home Page
- Click My Network

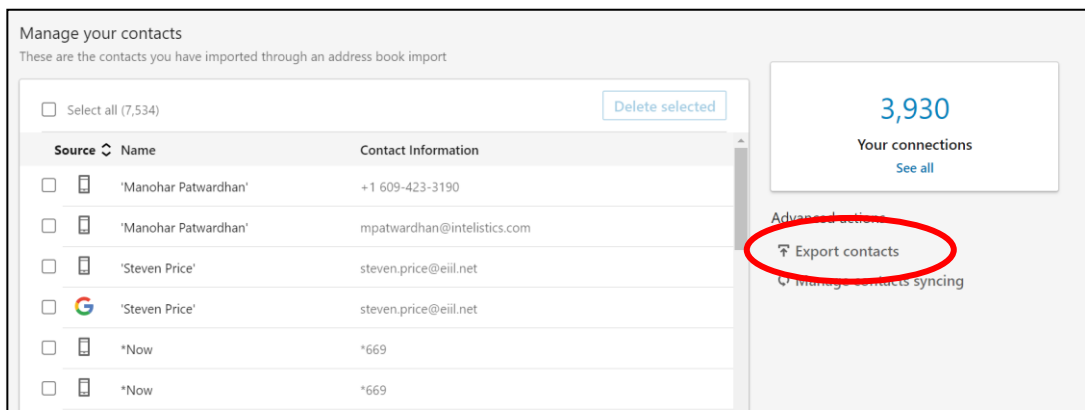

- Click on Connections

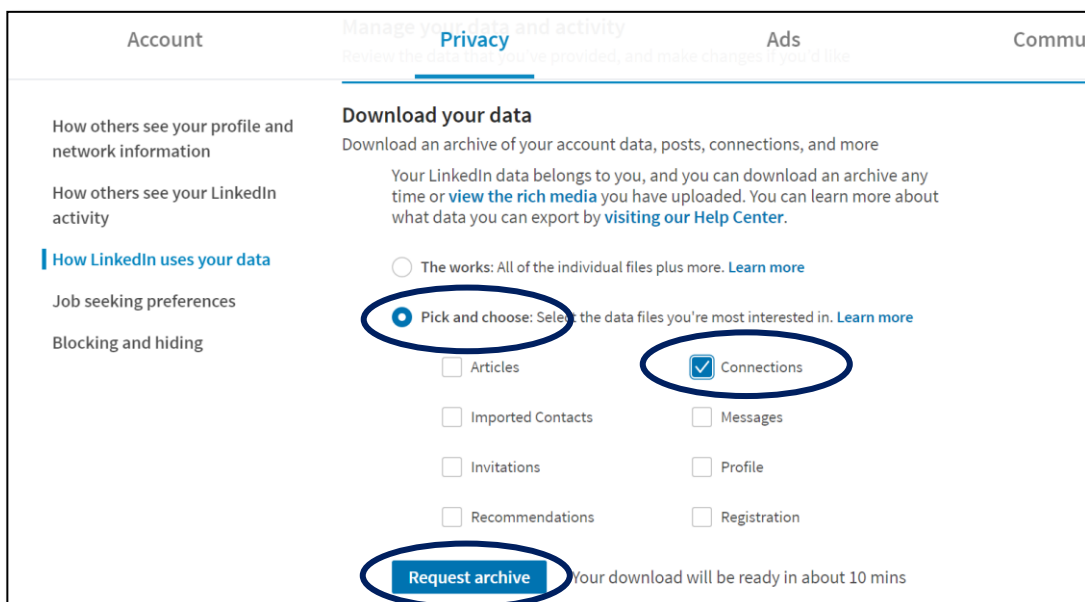

- Click on Manage synced and imported contacts

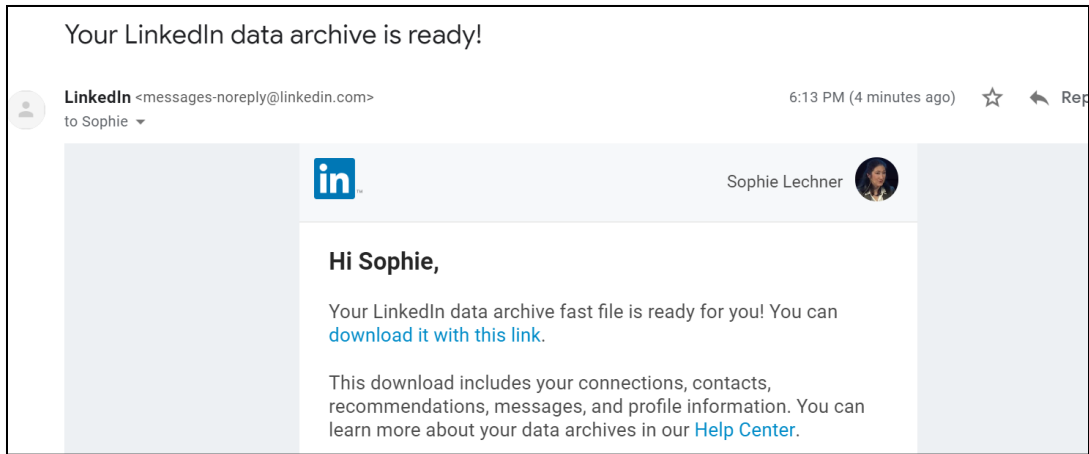

- Click on Export contacts

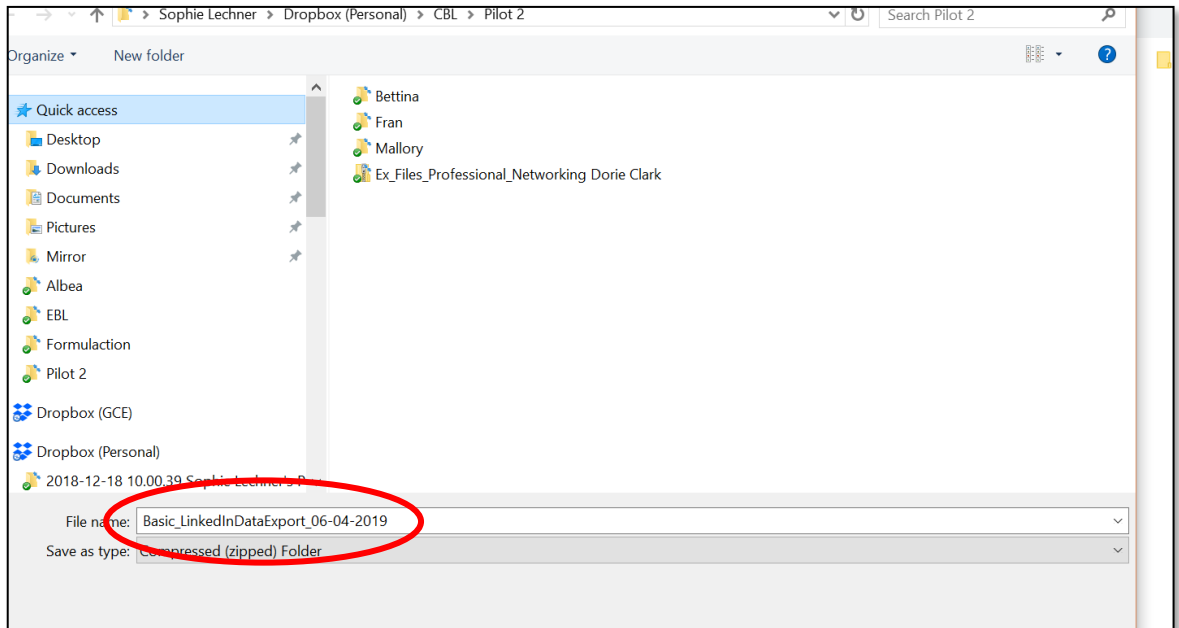

- Click on Pick and Choose and select Connections
- Click on Request Archive

- You will receive an email after about 10 minutes:

- Click on the link and Save As

- It will be saved as a .csv file by default so you must save it as .xls for ease of use
